To: Businesses and residents of Plainfield and North Plainfield, and to the friends of the Rotary Club of Plainfield-North Plainfield

The Rotary Club is the oldest service organization in our two communities, having been chartered in 1921. As a member of Rotary International, we are one of over 32,000 clubs in more than 200 countries and regions across the globe.

We are proud of our history of service to the community, especially to our youth. For eighty years, we have offered a *Track and Field Meet* for students in area schools. Each year, the Club and its friends conduct this meet for over 250 student athletes.

In order to offset some of the expenses (all of which are for supplies and materials only, such as medals and ribbons), we will have a program booklet available for the students and spectators. We invite you to take an ad in this booklet to show your support for the students and their efforts. Any money raised in excess of expenses will go to our scholarship program.

Please return the attached contract form as soon as possible, but not later than March 31, 2007. If you have any questions, do not hesitate to contact me.

Sincerely,

Michael R. Townley
Club Secretary
